This is a conference about babies in daycare.

Key speakers will come together to consider the care of babies in daycare settings in England: provisions made for them, environments created for them, policies relating to them, practice involving them and contemporary research about babies.

Key Speakers

Professor Tricia David

'World of Babies'

Dr Helen Moylett

'Holding the Baby in Mind as Policy Shifts'

Dr Elly Singer

Assistant professor at the University of Amsterdam and Utrecht University
'Babies' interactions with peers and play objects'

During this conference we will also be celebrating our research and development project, with practitioners from local nurseries who will be sharing their work.

Exhibitors will include:

- Nursery World
- Talk to Your Baby
- Community Playthings
- TACTYC

There will also be an excellent bookshop.

Limited places available.
